Special Pro Glo® Jackets offer high visibility, safety, and extra flexibility in cold weather. In addition, each connector has a built in neon light which indicates that there is power in the cord and circuit. A unique feature that saves time and money. Available in 14/3, 12/3 and 10/3 sizes with eight distinctive colors in 25', 50' or 100' lengths.

Available Colors: Red, Green, Yellow, Purple, Orange, Blue, Pink and Black
